

Set and Reset/Reset Trailer 2021 – Audio Description by Caroline Burn

On a dark stage Candoco's athletic dancers explode out of a vertical line, energetically rolling and stretching from behind Joel's chair, wearing floating translucent costumes in the same geometrical fabric hung behind. Arms swinging and torsos plunging forwards as they travel and jump. Long limbs carving through the darkness, Joel's chair spinning light reflecting off his bare torso. Pushing and pulling each other. Dynamic hops, Olivia diving, caught mid flight.
